1. Making your booking

All bookings depend on the pod being available at the dates you request and that the party meets our needs eg. maximum 2 adults or 4 if booking both pods. To book you must be aged 18 or more at the time of booking and accept that you are authorised by all the members of your party to book on their behalf. You are also responsible to ensure that all members of your party agree to and meet our terms and conditions (see separate listing).

During your enquiry we will provide you with full options for appliances and addition services we supply. We will also outline the details regarding the Hot Tub for the safety of you and your party members. It is important that all members needs are considered, as this covers the chemicals we use and also the need to check medical conditions prior to use etc.

Following these discussion an email confirmation will be supplied outlining all that has been agreed for:

Payment details

T&C's

At this point we will ask you to review these in full. Payment of your deposit / balance is acceptance of these terms. This then enters you into a legally binding agreements with us. We will also request the deposits / full payment at this time which you have 24 hours to pay the deposit and then the balance is due 8 weeks prior to your arrival day (unless booking is less than 8 weeks then we will ask for payment in full).

As soon as you receive your confirmation you must check the details carefully. If anything is not correct, you should tell us immediately.

It remains your responsibility to check your emails and their contents and advise us of any changes you need to make to your booking or changes to your contact details etc. Please note that some changes we will not be able to accommodate, and this may result in the cancellation of your booking (see Cancellation rights for more details).

2. Payment

When you book, you should pay the deposit amount due via bank transfer or credit card payments via Paypal. PayPal payment is by an additional invoice which we will generate via our business PayPal account. A charge will be added to cover the additional costs which is based on a % of the amount due and we can calculate this before you decide to use this method.

We only accept payments in pounds sterling. We must then receive the rest of the monies owed no less than 8 weeks before the start of your trip. The balance will be total cost remaining, including any additional items added. For any booking made with less than 8 weeks until the start of your trip you must pay in full by bank transfer or Credit Card via PayPal (see above re additional costs). All payments made to us will be acknowledged by email from us / PayPal (where applicable).

If you do not pay any payment due in relation to your booking by the appropriate date / time, we are entitled to assume that you want to cancel the booking. In this case your booking will be cancelled immediately and any deposit paid will be retained, due to loss of booking / earnings. Please all see cancellation sections.

3 Pricing

We ensure our prices advertised are correct at all times. We may, at times need to change the prices mid year, but this will not affect any agreement we have made with you at the time of booking. If we receive a late cancellation we reserve the right to provide certain weekends / weeks at a special price to ensure we recover loss of earnings, this again will not affect any agreement we have confirmed by email, upon your booking.

All prices quoted and agreed at the time of booking will cover 'whats included' along with all electricity, water etc used during your trip.

All prices are for the property and not on a 'per person' basis

4. Offers / Promotions

From time to time we may offer a discounted weekend / week for promotion purposes, or to recover loss of earning due to a late cancelation.

These offers will be available on a first come, first served basis and will only apply to the dates specified. These offers are also not an indication of other weeks / same dates booked for future years etc.

There will not be the option once booked to move your booking to an offer, as this would constitute as a cancellation and new booking.

5. Website details

We aim to ensure that the information / descriptions used on our website are as accurate as possible, at all times. There may be small details changed due to redecoration / replacement of goods.

Occasionally problems mean that some facilities or services may not be available at the time of your stay, if this happens we will tell you as soon as we become aware of the situation.

The property's WiFi is supplied by BT Broadband and is for personal use only. There may be occasions when this is not accessible due to circumstances beyond our control. Bookings are not accepted if they are wholly reliant on the uninterrupted provision of WiFi, it should also be noted that the pod is located in an area which is outside some mobile providers coverage and we advise that a more effective signal is achieved by those subscribing to O2 / Vodafone. For those with an iPhone 6 or above you can also take advantage of WiFi calling, subject to signal etc. Access codes for the WiFi will be provided upon arrival.

6 Cancellation / Changes

a) Changes

You must notify us by email immediately of any changes to your booking, no matter how small. We will do our best to meet those changes, but we do not guarantee that we will be able to accommodate them.

Changes we can accommodate will incur a fee from £10 upwards depending on the change and will be disclosed in full prior to any action being taken.

Changes to member of your party - please advise of the person you wish to remove and who is attending in their place (if applicable) along with confirmation that they are aged 18 or above etc.

Changes to the lead person - if you are no longer attending but wish for another member of your party to retain the booking, then you must advise who the lead person will be in your place. We would also need to have their contact details (email and telephone) as we will need to obtain their written acceptance of the transfer of liability, before we can complete your request.

Changes to members which do not meet our guidelines will not be agreed and may result in the need to cancel your booking, this will impact also on monies already paid / due. We would discuss this with you / notify you via email prior to cancelling your booking.

b) Cancellation in Full

If you have to / want to cancel your booking, you must advise us as soon as possible by email and we will take the date of the email as notification for calculating any further monies owed etc. If you cancel prior to 8 weeks of day one of your trip we retain the deposit and attempt to obtain another booking to reduce loss of earnings etc.

Cancellations made with less than 8 weeks notice will require full reason for cancellation and if a further booking can be obtained then a partial refund may be given, this is why we recommend that travel insurance is taken out to cover you, your party, for extreme changes in circumstances.

NB an immediate cancellation would be enforced should upon arrival it is clear that inaccurate information has been supplied e.g. presence of members other than specified on booking, pets present etc. On these occasion no access to the pod will be allowed and the booking cancelled without refund immediately. In this instance we would not cover costs for travel, for alternative accommodate etc due to failure to provide accurate and honest information upon booking.

All decisions made by us are non negotiable and final. By booking with us you are agreeing to these booking / cancellation terms in full.

c) Part Cancellation

As outlined above if there is a member of your party who wishes to cancel then we require immediate notification via email. This will not affect your overall booking as the price is for the pod not 'per person'. The exception to this rule is only when the change affects our overall rule e.g. someone under the age of 18. In this scenario this part cancellation contravenes our terms and conditions and would result in an enforced full cancellation on your part. see above for full cancellation.

d) Cancellation by us

It is highly unlikely that we would cancel your booking unless there are issues beyond our control e.g. natural disaster, loss of power, floods, storm, malicious damage resulting in the property being uninhabitable / unsafe. In these extreme circumstances we would contact you as soon as possible and offer you: a) an alternative selection of dates at the same / reduced prices (dependant on low, mid, high season) or b) a refund in full.

The only exception to this is when a countrywide disaster / pandemic results in you not being able to travel / closure of our accommodation in line with government rules. In this scenario we would offer to move your booking within 12 months. There would be no transfer fee but if the new dates were of a greater value the difference must be paid upon transfer. We will not offer a refund.

Should we need to advise you of a change to the property for accessibility / amenities etc due to extreme circumstances (as outlined above) then we will notify you at our earliest convenience and where necessary will offer a partial refund to reflect the circumstance. When considering any partial refunds we would take into account the impact of the loss of service on your visit. Any refunds / offers would be non negotiable and final.

7. Insurance

We can not enforce but do highly recommend that you take out insurance to cover you, members of your party to cover any cancellation, health & safety and costs against damage / personal liability.

If taking out insurance please note that it is your responsibility to ensure that it will cover you / your members against all aspects. Please also see the section on damage and our liability.

8. Disabilities and medical problems

If you or any member of your party has a medical problem or disability please discuss this with us prior to making your booking. We will where possible provide you with as much information as possible to see if our property and location will accommodate their needs. Any decision to book following this will be your sole responsibility and we will not be able to offer advice, only help you make an informed choice.

To help you with any decisions, please note that the location of Hornsea Road, means there is a 5 mile journey to the nearest doctors which is located in Hornsea. There are also various chemists in Hornsea, but the nearest all night chemist is located in Bridlington (11 miles away).

There is a walk-in centre in Bridlington (11 miles away) or Beverley (13 miles away). Hospitals available near by are a substantial journey to either Hull (22 miles) or Scarborough (24 miles).

9. Arrival / Departing

The earliest arrival time is 4pm. Latest arrival time is 8pm.

The latest departure time is 10am - Late departures will receive an invoice for additional time as our cleaning team are paid from 10am sharp.

These times remain the same for every booking. If you are seeking an earlier arrival / later departure time the must be requested, and where possible, may be accommodated. This remains at short notice only and subject to other bookings to the property.

These times are set to allow the thorough cleaning and correct preparation of the property, to meet your needs and booking requirements.

You must supply an expected arrival time within 48 hours of receiving your welcome email. This is sent a week prior to arrival, to ensure we can meet you at the property and talk you through the layout / appliances etc. If you are planning to arrive after 8pm, then this must be agreed prior to booking to ensure we can accommodate your needs.

If you experience a problem on the day, then you must notify us immediately, advising of the circumstances and new expected arrival time.

A text message to 07923060296 is requested when you are 20 minutes away from arriving at Bumblebee Manor so we can be there to meet you. This must be a text as Facebook / emails may not be checked.

As we have several holiday homes we may not be able to meet you at your preferred time and ask you to stay in the drive of Bumblebee Manor - we will meet you as soon as possible and thank you in advance for your patience.

Their mating season is typically from April until the end of June, during this time they are very beautiful but have a loud mating call. Hot Tub

The hot tub provided at the property is a 2 seater in 'The Hive' and a 4/6 seater in 'The Honey Pot'. Steps to access the tub are clearly marked (inside the tub and are embossed with anti slip surface) and this should be the only way the tub should be entered / exited. In 'The Honey Pot' is partially overlooked by the neighbouring pod ('The Hive' which they have to pass to gain access to / from their pod) we have therefore fitted a privacy screen. We request that appropriate swim wear is worn at all times!

They are solid resin hot tubs with two loungers in 'The Hive' and bench seating for up to 4/6 in 'The Honey Pot', multi level hydrotherapy jets, and underwater lighting is a feature in both hot tubs. The temperature of the hot tub will be set to 40 degrees unless agreed otherwise.

To ensure the hygiene of the water, the tub is cleaned and sanitised between visitors, using a Chlorine based soluble treatment. There is also built in filtration system which

constantly removes any dirt and debris from the water. The chemical balance is upheld by a chemical float which is removed when bathers enter and must be placed in the tub when not in use. This also contains a chlorine based slow release chemical tablet system.

All users should shower / be clean before entering the hot tub, must not have any oil based skin products or fake tan applied to their skin - this will affect the water resulting in a brown scum and strong odour which can not be removed.

Please note that although these are low levels of chlorine (typically lower than found in commercial swimming pools) any allergies to chlorine must be considered. Should any person come into contact directly with the chemicals then hands should be washed thoroughly immediately

The use of these chemicals can cause the fading of swimwear and / or a discolouration of the water as a result. This will not affect the hygiene levels and we do not accept liability for the damage to any swimwear.

The tub controls and clear instructions of how to operate the hot tub for temperature, jets, lighting etc are available in the hot tub locations.

Medical conditions - any person suffering from any medical condition, pregnant or on medication of any description should approach their doctor prior to arrival coming to ascertain if they can use this facility. We will never offer any advice on who can / can not use the hot tub, this remains you / your sole responsibility.

You / Your party should never eat in the tub and drinks should be placed on the outside (decking surrounding the tub / table supplied). No electrical equipment is supplied or should be used round the tub due to threat of electric shocks.

No glass objects are to be used in / around the hot tub, there are various plastic based glassware available in the pod and this must be used for all drinks. Do not run around the hot tub, jump or dive into it etc.

Our hot tubs are not under cover so you can appreciate being in nature and offers great night sky views. The hot tub can be used in all weather with the exception of thunder & lightning.

You must not add anything to the water (eg colouring / bubble bath etc) - If you / any member of the party contaminates the water whether accidental or wilful, so it is unsafe to use, then the hot tub will be switched off. This will require in a full sterilisation, refill and reheat of the tub which will result in withdrawal of the hot tub use, for the rest of your stay. Please note it is your responsibility to ensure the rules of the hot tub (displayed in the hot tub area) are met at all times, in line with our guidelines and there will be no refund should the tub become 'un-usable' and further monies may be requested if we feel this facility has been abused. Any decision we make regarding this remains final.

11. Damage

You will be responsible for all damages / breakages caused by you / your party to the pod and / or its contents (including the costs of any works needed to put this right). This includes responsibility for paying for this damage. If you discover any missing items / damaged goods on arrival, you must advise us immediately.

12. Special requests

If you have any special requests, you must let us know prior to booking, to ensure these can be accommodated. If special requests arise after booking, please contact us immediately, to allow us time to review these and respond to you as soon as possible.

13. Transport

You are responsible for all forms of transport to / from and during your stay, and the prices quoted are strictly for the property only. Should you experience problems during your stay and you require help in finding a local garage etc, please let us know.

14. Complaints

If you are unhappy with any stage of your booking / visit then please notify us immediately. We are happy to look into any issue, even if it seems small to ensure you enjoy your visit at our accommodation.

15. Our responsibility to you

We commit to provide you with clear and accurate information, to the best of our ability at every stage of your relationship with us. We regularly update our website with descriptions, photographs etc and welcome any questions, no matter how small they seem prior to booking.

We agree to check all facilities in the property prior to your arrival to ensure that all linen, towels, cleaning, facilities, equipment is to a high standard and fit for purpose. We are dedicated to addressing any issues / concerns you may have during your stay, to maximise your enjoyment of staying not just in our pod but to enjoy all that East Yorkshire Coast has to offer.

We will regularly check the chemical levels in the hot tub during your stay and ensure this is hygienic for use. If we have any concerns we all raise these with you immediately.

We will not be legally responsible for any injury, illness, or death or resulting losses suffered by you, or any member of your party; unless you can prove that the injury, illness was caused by lack of reasonable care and skill on our part.

If goods breakdown or stop working you must advise us immediately. We will determine the problem and attempt to rectify it where possible. We will also ascertain how the damage was caused e.g. misuse / wear and tear etc.

We have clearly outlined above our process and rules for booking, payments and cancellation rights and our responsibilities.

We accept no responsibility for loss of colour to clothing / swimmer / towels which have come into contact with the hot tub water / chemicals. As outlined the chemicals supplied contain chlorine, which causes fading to certain materials
